

LCAP 8 State Priority Areas

The Local Control Funding Formula (LCFF) sets eight state priority areas that every district must address through the Local Control Accountability Plan (LCAP). Each of the eight areas is listed below along with the indicators of success the state calls out. Each local district can use additional indicators of success as well. LCAPs are due June 30 to County Offices of Education.

1. Student Achievement

Performance on standardized tests
Academic Performance Index Scores (API)
Share of students who are college and career ready
Share of English learners who become English proficient
Share of students passing Advanced Placement (AP) tests
Share of students determined prepared for college by the Early Assessment Program

2. Student Engagement

Attendance rates
Chronic absenteeism rates
Middle school dropout rates
High school dropout rates
High school graduation rates

3. Other Student Outcomes

Other indicators of student performance in required areas of study as determined by each school district. May include performance

4. School Climate
